

Isabella Lewis

Sample Page Layout 16 Illustrations

Isabella was born and raised in Maracaibo, Venezuela. In 1988, she moved to San Francisco, California where she received her BS in Fine Art at the University of San Francisco.

After working for ten years as an art director for a magazine in San Francisco, she moved to New Orleans with her husband and two children. Since then she has been working as a freelance illustrator and she also teaches art at several universities. Her art has found homes in many different countries including Argentina, Australia, England, South Africa, Spain, Sweden, and Thailand .

Her illustrations using a combination of techniques have appeared in Babybug, Cricket and Cicada Magazines. She

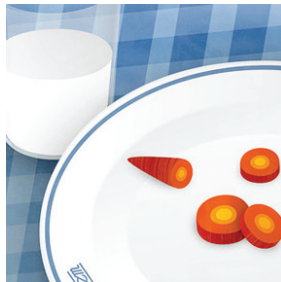

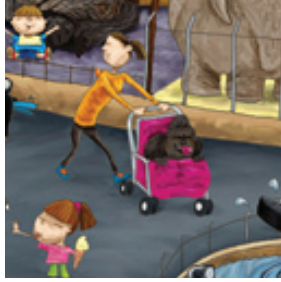

has won many prizes and honors for her artworks including the Ezra Jack Keats New Illustrator Award and the Coretta Scott Kind Illustrator Award.

Her book illustration list includes: Simon and Schuster, Random House, Putnam, Chronicle Books, Pocket Books, Scholastic Books and Golden Books.

In addition to illustrating children's magazines and books, Isabella also creates individual commissioned illustrations of people's children, friends, pets and family members.
